COLOR FORMULAS

Base Colors

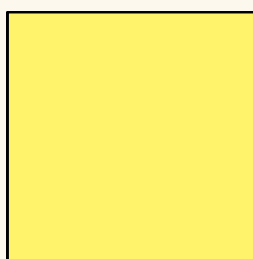

The below formulas are based on 5 primary colors: **brown, white, yellow, red, black and blue.** Each formula is listed in “parts”. Depending on your needs you may choose to use tablespoons for small batches or cups for very large batches. Colors may vary depending on the brand or type of paint used (acrylic vs. tempera). Whatever the case enjoy the process and the beauty of creation!

Supply List

I prefer to mix my batches in small reusable plastic cups for future use. Popsicle sticks make the perfect mixing component.
